

Ms Wendy Tang
Group Managing Director
Knight Frank Singapore

A real estate veteran, Wendy's experience cuts across a broad spectrum of the property sector ranging from property development, real estate agency services and fund management.

Wendy possesses 27 years of industry experience and holds a proven track record in driving team performance in advisory services as well as the sales and leasing of properties, both locally and internationally.

Prior to Knight Frank, Wendy was with Beverly Group where she led their development projects in Malaysia over the last five years. During that time, she spearheaded the design, planning and launch of five residential and mixed-use developments of around 4,300 units, with a total Gross Development Value of over RM 2.15 billion.
